James Meyer, Rt. 1, Maryville, Missouri, Sale Manager

General Information

LOCATION—Sale will be held at the Rock Port, Missouri, Sale Pavilion on Highway 275, Monday, October 2, 1950. Show: 10:00 a.m. Sale: 1:00 p.m. This is one of the best sales pavilions in this area and the management is tops.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

GUARANTEE—All cattle sold are tested for tuberculosis within thirty days of sale and are vaccinated or tested for Bangs, and a health certificate will be furnished.

Bulls are guaranteed breeders if properly cared for and not allowed to serve under fourteen months old or allowed to run with the herd under two years old. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers over sixteen months of age at the time of the sale are guaranteed breeders. Heifers are not to be served by a heavy or old bull.

If any bull or female as above specified fails to breed, it may be returned to seller if in as good condition as when sold, and if after testing in the seller's herd, it proves to be a non-breeder, it may be replaced or the purchase price refunded. Neither buyer nor seller is to make any charges for feed or care, and transportation charges are to be born by the purchaser. Notice of failure to comply with guarantee must be given within six months of date of sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a recorded transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot, and for each unborn calf sold in dam.

If you do not receive your pedigree or calf application within three (3) months, please notify the seller or the sale manager.

Where footnotes appear in this catalog, they are furnished by the consignor or written from information supplied by the consignor.

We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

BIDS—Those wishing to buy who cannot be present, may send bids to Mervin F. Aegeter, Shorthorn World; Clint Tomson or Ted Aegeter, American Shorthorn Breeders Association; or to either of the auctioneers, J. E. Halsey, Des Moines, Iowa and Hubert P. Siegel, Fairbury, Nebraska; or to James Meyer, Maryville, Missouri.

A dinner will be served the evening before the sale. For place, hour, and tickets, see Dale Bellows, Maryville, Missouri.

Those from a distance desiring hotel reservations should contact James Meyer, Sale Manager, early.

Show and Classifications

This show and sale is co-sponsored by the Missouri State Board of Agriculture, Rock Port Community Club, and the Northwest Missouri Shorthorn Breeders Association, Inc.

MISSOURI STATE DEPARTMENT OF AGRICULTURE AWARDS

The State of Missouri, Department of Agriculture, will award to all animals in each class that can qualify as blue ribbon, red ribbon, and white ribbon animals, their respective earned ribbons and a cash premium of \$6.00 for Blue, \$4.50 for Red, and \$3.00 for White.

These awards are made possible through an appropriation by the Missouri Legislature to encourage the production, distribution, and use of better breeding animals in Missouri.

BLUE RIBBON Animals are excellent individuals.

Only animals of outstanding quality, unusually good type, symmetry, and conformation, in sufficiently good flesh and adequately fitted to demonstrate fully their qualifications will be placed in this group. These are animals of unusual merit that would in every case be a valuable addition to the top breeding herds of the state.

RED RIBBON Animals are superior individuals.

Only animals of superior quality, of good type, and without any major defects, plainly demonstrating the superiority of their qualifications will be placed in this group. These animals should be sufficiently good to improve any commercial herd and most small breeders' herds.

WHITE RIBBON Animals are good individuals.

Animals of somewhat less desirable type and with one or more rather objectionable characteristics may be placed in this group. These are animals that would improve commercial herds and would in every case be superior to grade and scrub animals.

Unworthy animals will not be classified.

Judge—ALBERT B. DUNHAM, Callao, Missouri

CLASSIFICATIONS

BULLS

- Class I Bulls calved before June 18, 1949
- Class II Bulls calved between June 18, 1949 and August 1, 1949
- Class III Bulls calved after August 1, 1949.

FEMALES

- Class IV Females calved before April 25, 1949
- Class V Females calved between April 25, 1949 and July 1, 1949
- Class VI Females calved after July 1, 1949

From the Sale Manager

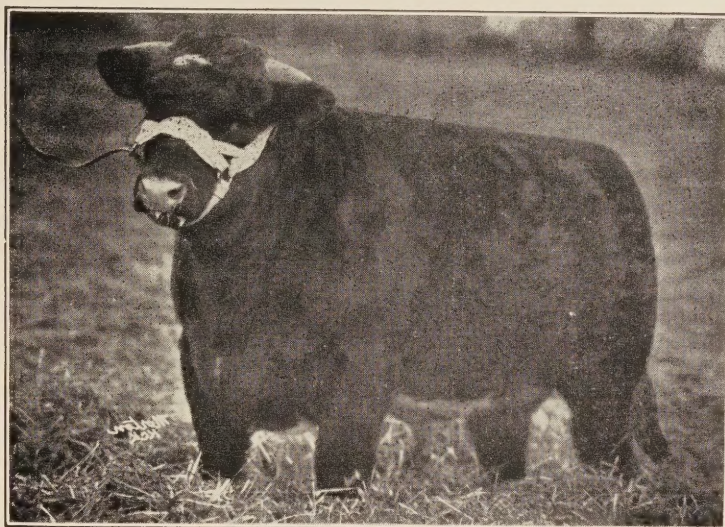

This is our 14th semi-annual sale. I think our cattle have shown marked improvement. This is the result of the use of outstanding bulls by our members, with close selection of females.

Since our land will not stand the extensive cultivation as practiced the last century, I think it is very necessary to do more grass farming. This can be done with less expense. By having registered shorthorns your income can be increased by the changeover. So why not spend October second with us and buy some good shorthorns.

Parkdale Golden Fame 43rd is about as good a bull as we have sold by Golden Fame. He has a world of color and as good a head as you will find on a bull. His dam is a half sister to last year's champion bull at Rock Port, bought by Glenn Windom, Lenox, Iowa. His dam is just as good a cow as this is a bull.

Ransom Mercury 10th is as good a herd bull prospect as we have bred. Here is a thick, low-down calf, good at both ends with plenty of size. His conformation is outstanding, backed by the closeup blood of the foundation stock of both the Mercury and Goldfinder bloodlines. You can drive many miles and not find a calf with the individuality and pedigree combined in one. His calves should be in the package we want with plenty of size for age.
